

9th Annual Canadian Consortium for Children's Bone Health (CCCBH) Educational and Scientific Meeting

Thursday February 8th, 2024 [from 6:00 – 9:30 pm CST]

Exact Location: Delta Marriott Hotel Bessborough, 601 Spadina Crescent East, Saskatoon (4 minutes on foot from main venue)

Chair: Dr. Leanne Ward (Children's Hospital of Eastern Ontario)

Meeting Co-Chairs: Dr. Anne Marie Sbrocchi (Montreal Children's Hospital), Dr. Melissa Fiscaletti (Ste. Justine Hospital, Montréal)

Planning Committee Members: Dr. Chelsey Grimbly (Stollery Children's Hospital), Dr. Julia Sorbara (Toronto Hospital for Sick Children), Dr. Nathalie Alos (Ste. Justine Hospital, Montreal), Dr. Marie-Eve Robinson (Children's Hospital of Eastern Ontario), Dr Frank Rauch (Shriners Hospital for Children), and Dr. Munier Nour (Jim Pattison Children's Hospital)

Anticipated Attendance: 100+ Pediatric endocrinologists, pediatric osteologists, researchers, allied health professionals and trainees from across Canada and elsewhere.

General Learning Objectives:

1. Identify the radiological and clinical features associated with non-accidental injury.
2. Differentiate congenital from acquired causes of bone fragility and distinguish these from non-accidental injury.
3. Develop a systematic approach for investigating the etiology of multiple and/or unexplained fractures.
4. Discuss the indications for genetic testing and imaging as part of the work up for children presenting with fractures.

This activity is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada and approved by the Canadian Society of Endocrinology and Metabolism. You may claim a maximum of 3.0 hours (credits are automatically calculated). (Participants should only claim credits commensurate with the extent of their participation in the activity).
